

# THE MAN WHO DIED FOR YOU

Ted Schempp

Romans 5:6-11

Romans 5:12-21

VERSE: One boy in trouble  
Runnin' with the night  
The sirens scream in anger  
Your heart is filled with fright  
No place to turn  
Nowhere to go  
When the steel door slams behind you  
And hatred floods your soul

CHORUS: (But) there's a Man who died for you  
The Man did time for you  
He spilled His blood for you  
To give new life to you.....yeah!

VERSE: He'll meet you in your heartbreak  
And heal you from your pain  
He'll help you face the anger  
The keeps com in' around again  
He'll forgive your every sin  
If at His feet you'll bow  
He'll take your life and give you His  
And He wants to do it now, 'cause.....

Chorus

BRIDGE: Time.....drags on forever  
As the days melt together  
What are you gonna do?  
You can waste your time or use it  
Find your life or lose it  
The choice is up to you

Chorus
