

RADICAL MAN

Ted Schempp

John 11:38-53

VERSE: Born through a woman
Who had never known a man
Fulfillment of the prophecies
But His people didn't understand

CLIMB: Some said He was "the carpenter's son"
Others whispered dirty lies
But through the shame He gained
His Father's vision in His eyes

CHORUS: He was a Radical Man
A real Radical Man
With a radical love
And "A Master Plan"

VERSE: Patently He waited
Until the time was right
He began to move in power
Into darkness shining bright

CLIMB: People born in bondage
Crippled by their sin
"The Words of Life", and "The Hands of God"
Set them free again

Chorus

VERSE: Of all the things He ever said
And all the things He'd done
The greatest was His execution
Nailed in the desert sun

CLIMB: And as He let Himself be killed
I passed from death to life
And all The Prophets' words fulfilled
In His bloody sacrifice

Chorus
