

ALL ABOUT LOVE

Ted Schempp

1 Corinthians 6:12-20, 7:1-40 1 Peter 3:1-7

VERSE: Hey, my friend you're looking' so low
Wantin' for a love, how well I know
That pressured feelin'
Like a freight train wheeling' outta control
'Cause I've been there and had a lot to learn
What love really is, so I wouldn't get burned
In a flame of passion
And.....avoid a fool's reaction

CHORUS: 'Cause our God knows.....all about love
He's the One who gave you.....what you're made of
Your heart's desire....and 'the deep down fire"
'Cause Jesus cares.....and He knows.....yes He does.....
All about love.....all about love

VERSE: This crazy old world tries to make you feel
So empty inside that it'll drive you to steal
The rollin' thunder
An' tries to pull you under
Then feeds you lies from all "the pop stars"
Fancy cars and single bars
It's just a game of chances
And.....false romances

Chorus

VERSE: Well, maybe you've long since given up
Prayin' that He's ever gonna bring a sweet love
Somebody to fill you
Somebody to thrill you
But He's your Daddy, and He loves you so
And what your heart can handle
Rest assured He knows, what you're really needin'
And....what'll keep you from bleedin'

Chorus
