

# NEW AGE, OLD LIE

Ted Schempp

1 Corinthians 1:18-31, 2:6-16

VERSE: There's a deception, passing by  
It's looking' so good, trying' to catch your eye

CLIMB: It sounds so wonderful, and tastes so sweet  
But only the wise know it's incomplete  
It was born by Satan in "The Pit of Hell"  
But the New Age Lie.....has that familiar smell

CHORUS: They call it "New Age," but it's the same old lie  
It's beckoning you, but don't you give it a try  
The same old package in a brilliant disguise  
But "The New Age"..... is still "The Same Old Lie"

VERSE: They'll entice you with crystals that dazzle your eyes  
Meditate on nothing; just empty your mind

CLIMB: But when your mind is open to anything  
"The Prince of Lies", simply steps right in  
He'll poison every truth you've heard before  
'Til you feel like you're trapped.....in a revolving door

Chorus

BRIDGE: Don't you see.....danger comin'?  
Just.....around the bend?  
"The Evil One".....is smooth and cunnin'  
Watch him fool.....the world again.....

VERSE: You'll hear them deny "Original Sin"  
'Cause they don't understand the battle we're in

CLIMB: 'Cause the devil will do anything that he can  
To steal the glory from God, and then lend it to man  
But we weren't meant to be given the praise  
We were made to worship Jesus....and follow His ways

Chorus
