

# UNCONDITIONAL LOVE

John 3:16-17

Romans 8:1-2

Ted Schempp  
1 Corinthians 13:1-13

VERSE: Unconditional love; unconditional mercy  
For whatever you're done, and wherever you're been

CLIMB: Open your heart  
And let "The Author of Love"  
Fill you, and heal you  
Let His protective arms  
Hold you, enfold you  
Until your fear is gone

VERSE: Unconditional love; unconditional mercy  
Nothing we could have done, no, could ever have earned it

CLIMB: C'mon, open your heart  
And let "The Shepherd of Love"  
Find you, and guide you  
Let His protective arms  
Hold you, enfold you  
Until your fear is gone

BRIDGE: Why.....keep on running'?  
Don't you know, you can't win?  
So, put an end to your heartache  
Just let His love in.....

VERSE: Open your heart  
And let "The Author of Love"  
Fill you and heal you  
Let His protective arms  
Hold you, enfold you  
Until your fear is gone

TAG: Let His protective arms  
Hold you, enfold you  
Until your fear is.....gone
