

# JOY!

Ted Schempp

John 16:24

Psalm 18:1-50

CHORUS: Joy, joy, joy, shout to every adversary  
Joy, joy, joy, don't let anybody steal it  
It's what Jesus died to give you  
It's "Salvation's Song," and it belongs to you forever!

VERSE: When darkness falls upon you  
When mighty waves engulf you  
When every lie astounds you  
Cry out the Name of Jesus  
When trials come to test you  
Depression tries to crush you  
Salvation seems a memory  
Lift up the Name of Jesus Chorus

VERSE: Somewhere deep down inside you  
His still small voice, it has found you  
Somehow your strength revives  
As you, cry out, to Jesus  
The Holy Spirit in you  
Comforts you, and then He  
Puts the enemy to flight  
He trembles at the sight of Jesus! Chorus
