

# GLORIOUS SPLENDOR

Ted Schempp

Psalms 96:6-9, Revelation 1:12-20, Revelation 4:1-11, 19:1-22, 21:1-27, 22:1-21

VERSE: The brightness of You, Jesus  
Burns like a firebrand  
You overwhelm me, my God  
So I cannot stand

CLIMB: I'm cut to the core  
Can't think about me, anymore  
And all I see is You  
And I'm lost, in Your awesome wonder

CHORUS: You.....in Your glorious splendor  
You.....in Your majesty  
You.....in Your dazzling glory  
Glorious splendor, foretaste of Heaven  
(Heaven come down to earth)  
And I'm swept, up, Jesus, in You!

VERSE: Crystaling colors  
Stones You have carved in Your hands  
The brilliance of Heaven  
Everything You have planned

CLIMB: We're cut to the core  
Can't think about us, anymore  
And all we see is You  
And we're lost, in Your awesome wonder

Chorus; with "Heaven come down to earth  
And we're swept, up, Jesus, in You!" .....

CHORUS: with "Heaven come down to earth  
And we're swept, up, Jesus, in You!" .....
