## EASY TO BE A PHARISEE

**Ted Schempp** 

John 8:39-59

CHORUS: Easy to be a Pharisee; harder to be like Jesus

Easy to be too much like me It's harder to be , like, Him.....

VERSE: Easy to see somebody else's sin

Harder to see my own

Easy to point my finger at them

'Stead of leaving', them, alone..... Chorus

VERSE: Lord, please deliver me

From a judging heart

You've been so patient with me

As I've pulled, someone else, apart.....

BRIDGE: That way, down deep, insecurity

I thought was healed by now

Sometimes, rears up, and lashes out

Holy Spirit, heal me now! Chorus

TAG: It's harder to be like Him

It's better to be like Him, yeah It's much better to be, like, Him.....
