Ted Schempp

CHORUS: Open the door of your heart
Though you fear it will tear you apart
Surrender the pride in your heart, to Jesus (repeat)

VERSE: This pain will not consume you
Although these doubts assail you
This life is not about you
It's gonna drop you to your knees
Into the sweet embrace, of Jesus Chorus

VERSE: His love will blaze within you
Melt iceberg lies within you
Rekindle His love for you
And collapse you to your knees
Into the sweet embrace. of Jesus Chorus
