

# ACROSS THE WATERS

Ted Schempp

Acts 16:6-10

VERSE: I, hear You call  
And my heart starts to stir  
Across the waters  
Your Voice, leading me  
Toward a people, I long to see  
Across the waters

CHORUS: Flow, Spirit flow, from my life into their hearts  
Faces of emptiness, I'm trusting You,  
for their Salvation.....

VERSE: I, will follow You  
To a land beyond my view  
Anticipating  
Laying, every fear  
Upon You, bringing me near  
My destination

Chorus

BRIDGE: Send me, O God  
Be the wind in my sails  
Be my resolve, when my heart starts to fail  
When my heart of flesh.....starts to fail.....

VERSE: I, hear You call  
And my heart starts to stir  
Across the waters  
Your Voice, leading me  
Toward a people, I long to see  
Across the waters
