

ONLY JESUS SATISFIES

Ted Schempp

John 4:1-15

VERSE: I've seen a New York banker in his limousine
The begged in the street, plain' the scene
Foxy models in Paris, with their fancy clothes
Fixin' their hair in the back of a Rolls
Soldiers in Tel Aviv, walking' two by two
Keepin' an eye on me an' you
Jerusalem merchants trying' to sell me a cross
Without known' or carin' 'bout how much it cost, but

CHORUS: Only, Jesus, satisfies
Only, Jesus, satisfies
Only, His blood, paid the price
An' only, He can, save a life my life)

VERSE: I've seen a man in Dehli, plain' with a snake
Thinkin' that I'm "an easy take"
A mother and child in a temple pool
Hopin' filthy water'll make 'em "cool"
I've seen bodies burn in' in Kathmandu
Folks thinking' they'll be back another time or two
Monkeys steal food that the idols can't eat
Yeah, I'm watching' it all from across the street, known'

BRIDGE: All the foolish things I've done, and pointless things I've tried
Wasted years spent on the run, fill in' up my pride
But when I look into Your face, Lord
And see the love that's in Your eyes
There's no condemnation.....and, no compromise.....

CHORUS: Only, Jesus, satisfies
Only, Jesus, purifies
Only, His blood, paid the price
And only, He can, save your life, that's right, 'cause
Only, Jesus, satisfies.....yeah, only, Jesus,
sa--tis--fies!!
