

UNENDING PRAISE Ted Schempp
Psalm 34:1-3

VERSE: Unending praise, unending waves,
Lifting our hands, unto Jesus
Surrounding the Throne, no longer unknown
Unending praise, praises to Him

VERSE: Unending praise, forever worship,
Unto the Lamb, unto the Father
All of the saints, whoever have lived
Gratefully sing, the Praises of Heaven

BRIDGE: Eternity now, brighter than the sun
Colours so clear, fragrances pure
More than we could, have ever imagined
Music more glorious, than we've ever heard
Filling the air, 'cause we've finally come home

VERSE: Unending praise, an ocean of waves,
Millions of hands, uplifted to Jesus
So thankful to Him, for all that He's done,
Forever the Son, shining in glory!
Unending praise....unending praise.....
Unending praise!
