

RUNNIN' FROM YOUR PAIN

Jonah 1:3

Acts 9:3

Ted Schempp

- VERSE: Out on a lonely highway
Rain beating on your face
Got nowhere to run to
Your heart begins to race
- CLIMB: What did you hope to find here
A thousand miles from home
You're running' out of choices
Aching to the bone
- CHORUS 1: You're out here running', just out here running'
Out here running' from your pain
You're out here running', just out here running'
But someone's calling' out your name.....
- VERSE: Feelin' too unworthy
To hold anybody's love
Can't stop the demons
Rippin' you up
- CLIMB: "Who could ever love me?"
Someone always will
No matter how far you've fallen
His love is deeper still
- CHORUS 2: You're out here running', just out here running'
Addicted to your crazy games
You're out here running', just out here running'
But someone's calling' out your name
- BRIDGE: The snake will always lie to you
That's just who he is
But The Son bled and died for you
Just to make you His
- CHORUS 3: You're out here running', just out here running'
It's time to give Him all your pain
You're out here running', running' to Jesus
Leaving' behind your crazy games
You're out here running', running' to Jesus
'Cause He's been calling' out your name.....
