

# VIRGIN HEART

Proverbs 3:13-35 5:1-23

Ted Schempp  
Song of Solomon

VERSE: What's a girl and boy to do, in such a sinful age?  
Pop a pill; slip into bed; turn another page  
But deep inside your heart you know, there's gotta be a better way  
No matter what your friend are saying', there is a better way

CHORUS: Virgin Heart, Virgin Heart  
You're not ashamed to say it, no not ashamed to save it  
Virgin Heart, Virgin Heart  
You're waiting on God, for the love of your life  
Waiting on God.....Virgin Heart

VERSE: Pressure on the outside; pressure pushing' in  
"So called friends" want you to do it, so their laughter can condemn  
But "Virgin Heart" don't you falter, your strength comes from God  
After all your friends are cry in', you'll be thanking Him

Chorus

BRIDGE: The world will never understand all the reasons why  
You've chosen to live this way.....this way.....

Chorus
